Why do I need a CPA to prepare my taxes?

Did you know...?

- As of 2013, the U.S. tax code was about 73,900 pages long.
- The 113th U.S. Congress has introduced more than 10,600 bills.
- The tax code is growing at a rate of roughly 3.28% per year.
- This 3.28% growth rate doesn't include the long list of publications, regulations, frequently asked questions and other guidance issued by the IRS each year.

Our staff spends hundreds of hours each year staying up to date on the latest tax law changes and strategies. We are here to serve you. Please contact us to make an appointment today!
